Re: Laboratory Operations Closed March 23 – 27, 2020.

Due in part to decreased submissions of evidence and to provide time to make changes to evidence intake procedures, the laboratory will be closed for operations from March 23rd – March 27th.

Should anyone need emergency assistance, Mark Milford (mmilford@nircl.org, (847) 362-0676 x103) and Phil Kinsey (pkinsey@nircl.org, (406) 493-8083) will be on call during business hours.

The laboratory will be open for business beginning March 29th. We will be contacting member agencies about implementation of a firmer schedule for evidence drop-offs to follow social distancing recommendations.

Thank you for your patience.

Please don't hesitate to contact me or Mark Milford as needed.
